Dear Friends,

It is our pleasure to invite you to the 2020 Fremont County Fair.

Events begin with the Jr. Rodeo at Pathfinder Park on July 24 and conclude with the Livestock Auction on Aug. 1.

Throughout the year, 4-H/FFA members and open fair exhibitors work hard to prepare their exhibits for competition. A tremendous amount of pride, talent, and effort is displayed at the Fair.

Come join us this year and enjoy the new displays and activities. There is something for all ages from toddlers to senior citizens.

4-H/FFA General Rules

All rules pertaining to the Fremont County Fair and its activities are subject to interpretation and enforced by the Fremont County Fair Board, or its designated representatives.

A. Eligibility 4-H/FFA: Only bona fide Fremont County 4-H and Florence High School FFA members in good standing who have met the enrollment deadline in Fremont County for the current year are eligible to exhibit and participate. 4-H exhibitors must be at least 8 years of age and must not have reached their 19th birthday prior to January 1 of the current year. FFA exhibitors must be enrolled in the Florence High School Vocational Agriculture Program but must not have reached their 19th birthday prior to January 1 of the current year. To exhibit at the fair a 4-H member must have attended at least 50% of the regularly scheduled club meetings prior to June 30 and an FFA member must have attended at least 50% of the regularly scheduled chapter meetings during the current school year. Leaders will sign an attendance voucher for all club members who have attended 50% of the regularly scheduled club meetings, when their secretary attendance records are turned in. The Vocational Agriculture Teacher will sign an attendance voucher for all FFA members before County Fair Entries are due. For purposes of eligibility, there are no excused absences, either the member is present or not.

B. 4-H/FFA Good Standing: A member deemed not in good standing in one organization is prohibited from exhibiting at the Fremont County Fair in a different organization for a period of one year. Example: If a member is deemed in poor standing in 4-H they are ineligible to exhibit in either 4-H or FFA for a period of one year, or if they are in poor standing as an FFA member they will be ineligible to exhibit in either FFA or 4-H for a period of one year.

C. Fair Entry Deadline: July 6, 2020, 5:00 p.m.

All 4-H County Fair entries may be entered on 4honline.com or turned in at the Fremont County Extension Office any time after the 2020 Fair Book is posted, until 5:00 p.m. July 6, 2020 at no charge.

All FFA County Fair entries must be turned in to the Vocational Agriculture Teacher by July 6. Late entries can be turned in at the Fremont County Extension Office anytime between July 7 to July 9, 2020 until 5:00 p.m. with a late entry fee of \$25.00 per project accompanying the entry. No late entries will be accepted without this fee. After 5:00 p.m., July 9, 2020 absolutely no entries will be accepted regardless of the reason. Members not turning in entry forms will not be allowed to exhibit at the fair.

D. 4-H and FFA members must abide by the same rules and deadlines throughout the calendar year.

E. Members must be enrolled in 4-H/FFA for the project they exhibit and every animal must be a 4-H/FFA project. Exhibitors cannot exhibit the same specie in both 4-H and FFA divisions during one program year.

F. 4-H/FFA Exhibitors may participate in only one (1) county fair.

G. Responsibility: The Fremont County Fair management will use all possible care to ensure the safety of the exhibits, exhibitors and people attending the Fair. Under no circumstances will the management or anyone assisting with the Fair, be responsible in any way for any loss, damage, or injury to any person exhibiting, assisting with, or attending the Fair. The exhibitor will indemnify the Fair management against all legal or other proceedings in regard thereto. The placing of any exhibit on the grounds will signify his or her agreement to abide by this rule.

2020 Fremont County 4-H/FFA Fair Book

H. Sportsmanship/Conduct: The judge's decision is final. **Any flagrant display of poor sportsmanship or affront to a show official by or on behalf of the exhibitor, may result in exclusion of the exhibitor from competition and forfeiture of awards and expulsion from the show grounds for the person and/or exhibitor.**

I. Protests: Parents and leaders are expected to emphasize the importance of sportsmanship by their example to the contestants. If questions regarding fairness, procedures or concerns arise, the Fremont County Fair Board may be petitioned no later than 5:00 p.m. the following business day, to act as follows:

1. In writing, setting out the complaint in detail, including the date, the names of those involved, the incident, the injury and the relief sought. Each petition shall be accompanied by a \$50.00 petition fee, which shall be refunded only in the event the Fair Board substantially grants the relief sought. Petitions are available at the Fair Office.

2. The Fair Board shall meet to discuss the petition within seven days after a petition, with its accompanying fee, is served upon a Fair Board member or the Fremont County Extension Office. Petitions without the payment of the fee shall not be accepted. Decisions of the Fair Board shall be made as soon as it feels sufficient evidence has been presented concerning the petition. The decisions of the Fair Board shall be final.

J. Fair Rules: 4-H/FFA exhibitors are to have their exhibits ready when called on, both for shows and other activities concerning their projects during the fair. Exhibitors must be enrolled in the unit of work in which they are exhibiting. Members who are enrolled in more than one unit of the same project are permitted to exhibit in each unit. Only exhibitors and fair officials will be allowed in the building during interview judging or in the show ring during judging. Interview judging will be held for State 4-H projects including Clothing, Heritage Arts, and for County projects. The 4-H Building will close immediately following the closing of entries at 8:30 a.m., Monday, July 27 for interview judging. Interview judging will begin at 9:00 a.m. Monday, July 27. Record books for General, Family & Consumer Science, Clothing and Heritage Art projects are required as part of the project and must accompany the project. 4-H members' record books may be completed using pencil, ink, typewriter, or computer. The choice will not affect judging. Content is the consideration when judging.

K. Projects: If projects are divided by Juniors and Seniors age groups, the ages are: Juniors 8-13 and Seniors 14-18 prior to January 1, of the current year. If projects are divided by Juniors, Intermediates, and Seniors age groups, the ages are: Juniors 8-10, Intermediates 11-13, and Seniors 14-18 prior to January, of the current year. A 4-H/FFA member may show in the Open Class Division. 4-H members must enter a separate article, garment, or exhibit from that shown in the 4-H Division.

L. Exhibits: Are to be labeled with name and county. It is the responsibility of the member, not the judge or superintendent, to enter projects in the correct unit for judging. Exhibits which exceed project skills, number, or size requirements, will not be considered for champion or reserve champion. All clothing exhibits will be judged on construction at the Interview Judging, Monday, July 30. Garments will be taken to the 4-H Building after the Fashion Revue where ribbons will be placed on the garment.

M. Fashion Revue: 4-H members enrolled in Clothing, Creative Clothing and Heritage Arts projects may model in each unit in which they are enrolled. Members enrolled in Sewing for Others may exhibit in the Open Fashion Revue. Judging will be by project units, not by age. Judging will take place during the Public Fashion Revue. Check in will be at 6:30 p.m., Monday, July 27 at the Evangelical Free Church and the Fashion Revue judging will begin at 7:00 p.m. The top two ranking seniors will represent Fremont

Exhibitors not following this rule will be barred from county competition for one (1) year and any awards received, including premiums shall be forfeited.

O. Alcohol & Marijuana: Possession of consumption of alcoholic beverages, marijuana, and/or any illicit drug is forbidden on the Fairgrounds (Rodeo Grounds, Pathfinder Park or other sites where Fair activities are held). Exception for alcoholic beverages - bona fide entries in the Open Wine Division or for activities or events during the fair approved by the Fremont County Fair Board prior to the fair. Adults who are consuming alcohol or marijuana will be reported to law enforcement.

Each Unit must be issued a sleeping permit and must park in designated area only. Members requesting a permit must be staying in the sleeping unit with and under the direct supervision of one of their parents or 4-H leader(s). Charge will be \$1 per person per night payable at the time the permit is requested. Those wanting to park for day use, fees are \$1 per day. Permits can be obtained from the Fair Office. Quiet hours are from 10:00 p.m. to 6:00 a.m. Anyone violating the rules will be asked to leave and not allowed to return.

Red and white winners do not qualify.

V. Trophies not picked up at the Fair may be picked up at the Extension Office after August 10. Trophies not picked up within 60 days will be returned to the committee.

Display Requirements and Guidelines

1. Display boards are made of lightweight cardboard and are sturdy, attractive, inexpensive and available at most local stores. The Fremont County Extension Office has them available for \$3 each. When opened, the 1 foot wide winged sides provide a surface to help the exhibits stand alone on a table top. The standardized display board size of 4'x3' is to be used for 4-H projects. (See example below).
2. No headers or attachments are allowed on the display boards.

Display Tips

- * Boards must be easily read from a distance of three to five feet. Use large, bold letters at least 3" high for exhibit title or caption.
- * Design the exhibit keeping in mind the size and shape of the open show board, which includes three surfaces.
- * When mounting items on the board, do not use bulky or heavy items that could cause the board to collapse. Mount items securely so they won't fall off. Tape will not work.
- * You have only three minutes for the message to be read. Be concise!
- * Tell your story using visuals.
- * Avoid putting too much in the exhibit. It should not look crowded.
- * Dark lettering on a light background is most visible.
- * Do not use headers or attachments on your display board.

Display Board Guidelines for State Fair 4-H Exhibits

Display boards are great ways to share information, but when viewers walk by, they spend only 60-90 seconds looking at each display board. Make yours stand out by highlighting the main points of your project in a fun, interesting way.

2020 Fremont County 4-H/FFA Fair Book

Follow these guidelines to create a display board for the state fair.

SHAPE

Design your exhibit so information fits on the display. Remember, you have 1 large surface, and 2 smaller side wings.

SPACE

Your display should only discuss one main topic. This will help it look neat and un-crowded.

ATTACHMENTS

When attaching pictures or objects to your board make sure they are secure. Use glue for pictures and paper, and consider wires, zip ties or staples to attach bulkier items.

Do not attach items that are so heavy that your board can't stand or fold.

4'

TEXT

Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and body text.

Text must be readable from 3-5 feet away. Use large bold letters. Dark letters on a light background works best.

SIZE

Display boards for the state fair must measure 4 ft. wide x 3 ft. tall. They should be made of lightweight cardboard, but not poster board. Pre-cut boards are available at most craft and shopping centers.

No part of your display may extend beyond these boundaries.

DISPLAY BOOKS

Your e-record book should accompany your board. You may use 3-ring binders or other notebooks that will keep the pages securely inside.

You may not use slider-type binders.

Please place a label with the following information in the upper right-hand corner of the front cover:

MODEL ROCKETRY

Note to all units:

1. Rocket exhibits must relate to the skill level for the unit entered. Units 1-4 should include the color picture of the rocket and skill level title from the rocket-kit package as part of its record book. All project material must be organized and secured in a sturdy binder/notebook. Unit 6 must have a copy of plans or blueprints including instructions "step by step" to build the rocket.
2. Fins must be balsa wood (balsa, and basswood) and finished with paint in classes indicated. **No plastic fins for Units 1-3.**
3. Fins of plastic or other materials must be exhibited in Units 4 and 6.
4. Unit 4 members may build Skill Level 4 and Skill Level 5 rocket kits.
5. Rockets are to be displayed and held **vertically** by a substantial rod or support no taller than the rocket on a stationary base appropriate to the size of the rocket, not to exceed 12"x12"x1" thick. Only the rocket will be judged. Do not decorate the base. No triangular stands can be used for displaying the rocket.
6. Do not include live or expended engines in the rocket exhibited.
7. If the rocket is damaged in launching, it can still be judged for quality of construction, e-Record and pictures.
8. Display rockets cannot be used for the Rocket Fly Day competition at State Fair.
9. No launching pads should be used for displaying the rockets.
10. All rockets must be exhibited upright.
11. Launching your rocket is not a requirement. It is a good idea, however, to make 2 rockets – one for exhibit and one to launch if possible.

Note: Please read specific rules for your unit.

NATURAL RESOURCES **DIVISION 4** **ENTOMOLOGY**

Entomology Workbook Required.

Entomology is the study of insects. Insects have three body regions, three pairs of legs and one pair of antennae, wings in adult stage, typically two pair. Spiders are Arachnida which have four pair of legs, two body regions and no antennae.

Exhibits in entomology are limited to insect specimens only.

1. Older members may start with Unit 2.
2. Each year 4-H members build on their collection by adding new insects as required for that particular unit. Refer to the exhibit requirements for the number of insects to collect for that unit. Acceptable sizes of handmade Entomology Display Boxes taken from the manual and kit:

12" W x 16" L x 3" deep

12" W x 18" L x 3 ½" deep

18" W x 24" L x 3 ½ "deep

Glass tops on entomology display cases should slide to the top or side of the case to prevent them from slipping out and breaking when placed on display. Commercially available display cases are acceptable.

SHOOTING SPORTS

Project Exhibit Rules:

1. Be sure to include the log for the discipline that you are exhibiting.
2. There is one e-Record that contains the inventory sheet and the discipline log records for all the disciplines that are required for this project.
3. Display should illustrate a chosen aspect of skill areas. This is separate from the State 4-H Shooting Sports Championships (<http://www.co4hshooting.org/>). (The standardized display board size of 4 ft. x 3 ft. is to be used with 4-H projects. No additional items may be included on or in front of display board.) No wooden display cases.
4. Counties may enter only one exhibit per class. Members may have entries in both the display board classes and the stand-alone classes.
5. No live ammo, tipped arrows (including field points, broadheads), knives, functional or nonfunctional firearms or bows will be allowed as an exhibit. Cardboard, paper cutouts or décor resembling firearms or bows are allowed for display purposes in the display or stand-alone classes.
6. Do not use the word weapon when creating your display. Make sure that there are no safety violations in your display. (Example: no earplugs, no safety glasses on a photo of a youth firing his/her gun.) Do not use pictures of primarily tactical in design firearms in your display, i.e., AR platform or military type firearms.
7. The display board topics should stay in close relationship with your discipline. Please do not use topics outside the scope of your 4-H project. (Example: .22 Rifle Project—should not use the topic of different types of military machine guns.)
8. Stand-alone items are items that are made to enhance the discipline, such as a quiver, gun case, gun stand, etc. No display boards or decorative items are allowed in the Stand-Alone Classes.

9. For those items that will be displayed on the floor there will be a maximum size of 3 feet in width and depth and 7ft in height, because of limited floor space. The item must be stable when standing to be displayed. If an exhibit is larger than this, a notebook can be used as an exhibit showing how and what was made.

10. For those members who are exhibiting both a display board and a stand-alone, they may copy their e-Record. Each exhibit must have an e-Record. Be sure to highlight what you are exhibiting in your e-Record.

11. No stand-alone items that are an exhibit at the time of the contests will be allowed to be removed from the building to be used at the contests.

12. A new class has been added. This is a decorative item class. Items to be exhibited in this class are items that are used to decorate a room, building, etc. Be sure to look at the classes to determine where your exhibit item goes.

Z. Points will be awarded to the exhibitor, not the Horse.

B. Once the show order (or working order) is drawn and the exhibitor number is called, the exhibitor must appear in this order in the time specified by the officials. Exhibitors will be given sufficient time to appear at the in gate. Failure to do so will disqualify the exhibitor from the class.

C. Classes may be judged individually, in a group or in combination. Novice classes will not be combined with any other class. Patterns in Horsemanship and Equitation classes will be used at the discretion of the Judge and Superintendent, and if used, will be posted.

4-H DOG TRAINING

GENERAL CONTEST RULES:

1. The Fremont County Fair 4-H Dog Show will be held Wednesday, July 29, 2020 at Mountain View Core Knowledge Gymnasium, 890 Field Ave., Canon City, CO starting at 9:00 a.m.

2. Dates of approved current and effective vaccination of the dog for rabies and parvovirus must be provided on the State 4-H Dog Health Certificate. Each entrant is required to complete the **State Dog**

Identification on 4honline and have it on file in their Extension Office by **April 30**.

This form will be used at the State Fair Dog Show so make sure that all 4-H Dog members have completed this Dog ID.

3. If a member's dog does not receive Rabies immunizations as required by the state of Colorado for all 4-H Dog Project participants, a certificate from the members veterinarian stating the reason must accompany the member to the 4-H State Dog Trial, and be presented to the General Superintendent.

3a. Proof of Rabies vaccination must come from a licensed veterinarian or the dog is not legally considered vaccinated. If the member's dog receives Rabies immunizations which are given by anyone who is not a Colorado State licensed veterinarian, these immunizations will not be recognized by law should the dog bite someone. **Proof of Parvovirus immunization must be provided in order to show at the Colorado State Fair & Fremont County Fair.**

4. Fremont County Fair 4-H Dog Show officials and/or staff can and will dismiss any entrant or his/her family from the show for any mistreatment of dogs entered in this show. If a question should arise as to what constitutes "mistreatment," County 4-H staff and/or officials will meet to decide appropriate action in each case.

5. Any negative behavior on the part of the exhibitor, family members or leaders directed toward any official will result in disqualification and awards forfeited. If there is a question as to the rules or the judging of a class, adult family members or

2020 Fremont County 4-H/FFA Fair Book

leaders must approach the Superintendent of that division and **not the judge**. The Superintendents will then take the question to the judge if warranted.

6. Dogs which are deemed to be a danger to people or other dogs can and will be removed from the show grounds and all classes forfeited. This will be determined by a consensus of the Superintendents.

7. Protests must be submitted in writing and presented to the superintendent(s) within 24 hours after judging is announced. Protests will be handled first by the superintendent(s) and then reviewed by County Fair 4-H Office personnel. A fee of \$50 must accompany any protest. If the protest is upheld, the fee will be returned. If the protest is not upheld, the fee will be kept and deposited into the Fremont County Fair Dog Project Fund.

8. All entrants will be responsible for clean-up after their dogs. Failure to do so can be a basis for dismissal from the Fremont County Fair 4-H Dog Show and/or forfeiture of any placing.

9. Show management will have final decision authority. If needed, show management may request assistance with arbitration from a committee comprised of the show superintendents, the judge (if willing), and the leader and/or agent from county involved (if present).

10. Colorado State Fair & Fremont County Fair 4-H Dress Code

This dress code is to be followed by all Junior, Intermediate, and Senior 4-H members, as well as adult leaders, advisors, and chaperones at all Fremont County Fair

4-H sponsored events including but not limited to the Fremont County Fair 4-H Dog Show. Deviations from the dress code will result in a request to change. This dress code is not subject to personal interpretation. A County Leader, Adult Leader, Advisor, or Chaperone may deem clothing inappropriate. In addition, some activities or events will have specific dress requirements that will need to be followed.

Appropriate dress consists of:

- + **Clothes are clean and in good repair, free of holes, tears, or slashes.**
- + **Clothes are free from violent or drug-related material, or anything that alludes to violations of the 4-H Code of Conduct.**
- + **Shorts must be mid-thigh length. No cut-off shorts allowed.**
- + **All items designated as underwear are kept under cover.**
- + **No halter-tops, tube tops, or top that expose undergarments.**
- + **No pants or shorts that expose undergarments.**
- + **No spaghetti straps on shirts or dresses, with the exception of formal attire, or when under suit jackets. If the suit jacket is removed, the shirt must be covered by another means.**
- + **No see-through garments or muscle shirts.**
- + **Shoes must be worn at all times. Proper foot attire for dog showing are shoes which are closed-toed. No flip-flops, sandals, or other open-toed shoes will be allowed in the show ring for any class.**
- + **No pajamas during the show.**

10a. Appropriate clothing must be worn in all dog show classes, including Obedience and Rally.

10b. The member will be given 5 minutes to change into an appropriate outfit if the

2020 Fremont County 4-H/FFA Fair Book

judge or Superintendent deems their clothing inappropriate.

10c. If the clothing has been deemed inappropriate by a judge or Superintendent, the member can be denied the opportunity to show their dog until the clothing has been changed.

10d. It is always a good idea to have another person observe you before you go into the ring making sure that the clothing you are wearing is appropriate when bending, stooping or kneeling while showing your dog. If it is not, it is advisable to change clothes.

11. The general age groups for Dog Project are:

Junior 8-10 years

Intermediate 11-13 years

Senior 14-18 years

Age is determined by the member's age as of December 31, 2019.

12. Dogs must be on a leash at all times except when performing exercises off leash in the show ring.

13. Entrants will be assigned armband numbers and can be picked up the day of the show.

14. No set-up will be allowed anywhere near the rings. Allowable set-up areas will be designated and no one will be allowed to set up in any other areas. Spectators must stay at least ten feet from the ring.

15. Fremont County Fair qualifier ribbons will be given out as the exhibitor exits the ring by the judge.

16. If a dog has failed an exercise, it will not ordinarily be re-judged unless the judge

feels the dog's performance was prejudiced by peculiar and unusual conditions. In such a case, the judge may wish to re-judge the dog only on the portion of the exercise in which the unusual condition occurred.

EXHIBITOR ELIGIBILITY RULES:

A. Member must be enrolled in the 4-H Dog Project.

B. All exhibitors must have complied with each county's eligibility rules for State Fair participation. Exhibitors must enter State Fair in the same class in which they qualified at their county level.

C. The member must own his/her project dog individually or in partnership with immediate family members or guardians during the complete duration of the project year. No leased dogs will be allowed to show at the Fremont County Fair. The member must have proof of ownership of the dog at the time of entry and provide that to the superintendents. The member must provide the majority of care for the dog(s). Entrants will be encouraged to use the Animal Care and Housing Form for Colorado 4-H Livestock Projects.

D. Any member exhibiting his/her dog at the Fremont County Fair 4-H Dog Show must be an official representative of his/her county. Each county's official(s) are responsible for entering participants in this show. No member will be allowed to substitute for another exhibitor on the day of the show if not properly entered by his/her county.

E. All exhibitors must have at least one qualifying score in each class of exhibition.

2020 Fremont County 4-H/FFA Fair Book

Qualifying scores are 170 and above in obedience, 170 and above in showmanship and 70 and above in rally. An acceptable record book must be done and meet all guidelines required by their county for State Fair qualification.

F. Each exhibitor may exhibit a different dog in obedience, showmanship and rally provided they meet qualifications (refer to rule C). A member may be entered in multiple Obedience or Rally classes with different dogs, but each member may only enter Showmanship one time.

DOG ELIGIBILITY RULES:

A. After once earning a qualifying score in competition as a 4-H project dog in Obedience or Rally at the State Fair, that same dog is no longer eligible for exhibition in that same division at any following State Fair except Obedience: Grad Novice, Open, Grad Open and Utility classes; Rally Advanced-Excellent.

B. If a dog has received a qualifying score in Obedience - Grad Novice, Open, Grad Open, Utility, or Rally -Advanced/Excellent at a previous State Fair, they may stay in that same class as a "B" level competitor for as long as they need to complete the training required for them to move up to the next class.

C. A dog with any other rally or obedience title from any national dog association (AKC, UKC, CKC, ASCA, etc.) is disqualified from entering the class for which the degree was awarded, or any lower class, except if that title was won less than four months before the State Fair. If the title was won less than four months before the 4-H State Dog Trial the dog is eligible for entry in the same

class. If the dog receives a title more than 4 months before the State Fair Dog Trial, they must move up to the next class. The exceptions to this titling rule are Obedience – Grad Novice, Open, Grad Open, and Utility; and Rally Advanced/Excellent.

D. No bitch in heat, obviously pregnant or lactating bitches will be allowed to compete in any classes at the Fremont County Fair.

E. Dogs in obvious pain from a previous illness or injury shall not be shown. If a dog is injured at a show, that dog will be excused from the ring. Consideration of a dog's physical disability needs to be addressed between the handler and project leader before starting the project. A Fremont County Fair-approved veterinarian or qualified veterinarian technician's decision on doubtful cases will be accepted as final.

F. No dog other than the county-qualified dog will be eligible to show or compete at state fair. Should any problem arise with the dog designated as the county-qualified dog, the Extension agent must be notified for any course of action.

G. If the County qualified dog in Showmanship is injured or in season, a replacement may be used at the approval of the County Superintendent. The replacement dog must fulfill all of the "dog eligibility requirements", must be carried in the member's record book, and must have a health certificate on file with the county office. The health certificate must accompany the dog to the Fremont County Fair 4-H Dog Show and be presented to the General Superintendent. If the member chooses to show a dog who has not been

carried as a project animal for the current project year, the member must show as exhibition only.

Youth may enter the Top Showman *or* the Intermediate or Senior classes appropriate for your age, but you cannot enter both classes. Intermediate and Senior Grand and Reserve Grand Champions **MUST** move up to the Top Showman Class. If the youth is in the Intermediate age group, when becoming a Senior (14 years of age) they can either stay in the Top Showman group or move to the Senior **ADVANCED CLASS ONLY**. If a youth who has entered in the Top Showman class should get a new dog that youth may return to the

2020 Fremont County 4-H/FFA Fair Book

INTERMEDIATE or SENIOR ADVANCED CLASS ONLY in their appropriate age group.

A. Junior, Intermediate and Senior Novice classes are for those members who are in their first year of showmanship training and have no prior outside showmanship experience as determined by the county. If prior experience is determined by the county, the exhibitor must move into open class competition in his/her appropriate age group.

B. Showmanship Classes: Each county is limited to **four entries per class** for any showmanship class for a total of 32 entries. There is no limit on entries for Master Showman, as long as eligibility has been met.

C. Each member entered at the Fremont County Fair 4-H Dog Show should have earned a qualifying score of 170 or above at a 4-H dog show during the project year.

D. Each individual county has jurisdiction over how a member earns their qualification for entering the State Dog Trials.

E. Rules governing Intermediate and Senior Advanced Showmanship

a. Any member who has placed in the top 10 in the Intermediate or Senior Open classes at any previous State Fair must show in Intermediate or Senior Advanced Classes for their remaining years in that age group. If a member who has shown in the Intermediate or Senior Advanced classes gets a new dog, they have the choice to either continue showing Advanced classes or move back to Open Class in their

respective age groups. If the member chooses to move back to Open Class in their respective age group with a new dog, they must then qualify the new dog to move to the Advanced classes by placing in the top ten at State Fair.

b. A Senior member who has moved up by age from either the Intermediate Open or Advanced class may choose to show in Senior Advanced by advice of their leader and taking into consideration the caliber of the member. Some reasons for choosing this move are:

- The member placed Grand Champion or Reserve Grand Champion at a State Fair Dog Show in the Intermediate Division.
- The member has received Best Junior Handler awards from any national dog club.

General Tips for Showmanship:

A. A brush, comb and a drool rag will be allowed in the ring. No other equipment is permitted.

B. Depending on what you are wearing in the showmanship ring, use proper kneeling etiquette. If you are in a skirt, it is best to kneel on both knees. If you are wearing pants, it would be appropriate to kneel on only one knee. See 10D in the dress code.

C. Members with smaller breeds will be expected to show their dogs on a table. Judges will take into consideration the size and physical abilities of the handler. A list of most of the table breeds can be found in the project manual on page 108. A more complete list is available on the American Kennel Club website at www.akc.org.

D. If the member is showing a mixed-breed dog; they should determine what breed

2020 Fremont County 4-H/FFA Fair Book

their dog most resembles, and show in the manner of that breed. If you have a mixed breed dog, you can go to AKC website and look at different pictures of the breeds of dog to decide which breed your dog looks most like. –see Dog Manual pg. 109.

E. No dog tags should be on the dog when showing in the ring. Only the correct equipment for a showmanship class should be used. It is very important that your dog wear tags at all times, except when in the show ring.

F. A showmanship score sheet will be used for 2018. Questions will not be asked in the showmanship ring by judges, but rather by a written test in a separate area.

G. The format for showmanship score sheet includes:

The score will reflect the member's ability to perform these items throughout the class, and not just one time. For example: the dog should be stacked (either hand stacked or free stacked) upon entering the ring, during the exam, after the pattern, and any time they are in the line-up. The "set-up" score will reflect all of these times when the dog is stacked.

OBEDIENCE

Obedience Class Eligibility Requirements

A. All 4-H obedience classes will be patterned after the latest AKC obedience guidelines whenever possible, except that dog registry with AKC is not required. Some exercises and rules may have been adapted from AKC to better serve the youth of this program.

B. In all classes except Puppy Class, ten points will be deducted in the obedience classes for the following: strong correcting, disciplining, fouling the ring, excessive barking, leaving the ring, rules violation or showing fear.

C. Handlers entered in B classes will be judged at a higher skill level (handler errors) than handlers entered in A classes.

D. Allowed collars in Obedience classes include: Flat or rolled leather with buckle or snap closure. Flat or rolled nylon collars with buckle or snap closure. Metal choke chain. No halties, gentle leaders, harnesses, or pinch collars will be allowed in the show ring. Collars and leads must be 2 separate pieces. Slip leads are not allowed.

E. The length of your obedience leash should be six feet for all Beginner Novice classes, but may be shorter for all other classes.

F. No dog tags can be on the dog when showing in the ring. This includes name tags, rabies tags, or anything else that hangs from the dog's collar. It is very important that your dog wear tags at all times, except when in the show ring.

G. If an exhibitor has two dogs in the same class, they must choose one dog for sits and downs. The other dog must be handled by a currently enrolled 4-H member enrolled in the dog project for sits and downs.

H. Each county may enter exhibitors in obedience classes (by a selection procedure most appropriate to its own county program) according to the following quota:

PUPPY CLASS: unlimited entries per county based on trainer's recommendations.

Puppy classes will be for puppies which are not ready for regular obedience classes. The purpose of this class will be to introduce obedience commands to a puppy without the stress of perfection seen in regular obedience classes. This class will introduce the puppy to dog shows in a positive manner, thus setting the puppy up for a life time of enjoyment in the show ring.

1. Handlers will be encouraged to use a reward system of food treats or toys in the ring to reward the puppy during and after each exercise. Double commands (or more) will be allowed. This class will be evaluated more on the handler's skill in training a young dog and dealing with the animal's mistakes than on the skill of the animal when performing the exercises. This will be a NO SCORE CLASS. The score sheet

will consist of *Excellent, Good or Needs Improvement* in each of the following areas: Loose Lead Walking; Sit for Exam; Recall; and Down Stay and Serpentine Walking.

2. Loose Lead Walking – This exercise is used to encourage the puppy to feel comfortable and happy on lead while maintaining a distance of no more than two feet from the handler's left side. This does not need to be heel position. Handlers may use bait and toys to keep the puppy in the correct position, and may tell the puppy to sit after a "Halt." Things to be considered in judging include the enjoyment of the puppy, the bond between the puppy and the handler, and the handler's ability to get the puppy's attention back after a distraction.

3. Sit for Exam – In this exercise the puppy is commanded to a sit position. The judge will approach the puppy and examine it. The judge is required to handle the puppy's ears, mouth, and one front foot during the exam, although petting and scratching are encouraged. The purpose of this exercise is to teach the puppy to accept handling from a friendly stranger.

4. Recall – The handler will command the puppy to stay in a sit position and will step just in front of the puppy with his or her toes no more than six inches from the puppy's front feet. When the judge says "Call your dog," the handler will proceed to walk backward no more than six feet while calling the puppy. The puppy should get up and follow the handler in a happy manner. After the six feet has been reached, the handler will command the puppy to sit.

5. Down Stay – The handler will put the puppy in a down. When the judge says "Leave your puppy," the handler will tell the puppy to stay. The handler will walk to the end of the lead, pause, and then

immediately walk behind the puppy and back to heel position.

6. Serpentine Walking – The puppy and handler will walk on a loose lead through a serpentine of three people positioned in a straight line. The expectations are the same as for Loose Lead Walking, with the addition of the distraction of the three "posts."

7. After one year of showing in the Puppy Obedience Class: If the member was in their 1st year of obedience training, the team moves into Beginner Novice A Obedience, if the member was in their 2nd year or higher of obedience training, the team moves to Beginner Novice C 1st year.

8. This class can be judged with 4-H members (scribes) assisting the judge. These scribes must be recommended by their trainers and/or Extension Agent. Scribes are teen leader positions, and the teen scribe must fill out the *4-H Volunteer Information Sheet* in order to be eligible to judge.

BEGINNER NOVICE DIVISION:

There is a packet of information on the 4-H Website which describes in detail these classes.

A. Beginner Novice A: four exhibitors per county (this is a first-year class for the handlers and their dogs). This class is open only to handlers and their dogs in their first year of dog obedience training work.

B. Beginner Novice B: four exhibitors per county. This class is open only to second-year dog obedience training members and must be the same youth and dog team that showed in 2017 in Beginner Novice A.

C. Beginner Novice C – 1st year: four exhibitors per county. This class includes

Explanation of Pre-Graduate Novice A & B classes:

Grad Novice Moving Stand and Examination:

The judge will give the command “forward,” at which time the handler will heel forward with his/her dog. After the handler has proceeded forward about ten feet, the judge will give the command “stand your dog.” Without pausing, the handler will command and/or signal the dog to stand and continue forward about 10 to 12 feet and turn and face the dog. The judge will approach the dog from the front, gives a novice exam and gives the command “return to your dog.” The handler will

return to his/her dog by going around and behind and back to heel position.

Moving Drop on Recall:

The principle feature of this exercise is that the dog heels and executes a prompt response to the handler’s command and/or signal to down and remain in the down position until called, or signaled to come on command. Orders for the exercise are “Forward,” “Down your dog,” “Call your dog” and “Finish.”

The handler will stand with the dog sitting in the heel position at a point designated by the judge, who will then ask “Are you ready?” and order “Forward.” The handler may command or signal his/her dog to heel, and will walk briskly and naturally. After he/she has gone about 15 feet, the judge will order “Down your dog.” Without pausing, the handler will command and/or signal the dog to down. The handler will continue forward to the end of the ring, turn around and stand in a natural manner facing the dog. On the judge’s orders or signals, the handler will command or signal the dog to come and immediately sit in front of the handler until the command to “Finish” is given by the judge.

Recall Over Broad Jump:

The principle feature of this exercise is that the dog stays until directed to jump, clears the jump on a single command or signal, and immediately returns to sit in front of the handler. Orders are “Leave your dog,” “Call your dog” and “Finish.”

The handler will stand with his/her dog sitting in the heel position at least eight feet from the jump, facing the lowest end of the lowest hurdle. When the judge orders “Leave your dog,” the handler will give the command and/or signal to stay, go at least eight feet beyond the highest edge of the last hurdle, turn, and face the dog as in the

Novice recall. On the judge's order, the handler will give the command or signal to jump. The dog must clear the entire distance of the broad jump without touching it and, without any further command or signal, immediately sit in front of the handler until the command to "Finish" is given by the judge.

Jump Heights:

Read the Dog Resource Handbook page 83 and 84 to determine the jump heights at $\frac{3}{4}$ jump. **Note: Colorado does not allow the jump height of $\frac{3}{4}$ that is allowed in Ohio (per page 83) so the correct jump height chart is listed on page 17.**

Breed Exceptions – Jumps:

Some breeds, because of their conformation, have exceptions granted for their jump heights. Please check the AKC Website under the obedience rules for the current chart of exceptions of breeds for these jumps. The website for AKC is: www.akc.org

RALLY

CHANGE FOR 2019: The Colorado State 4-H Dog Trial will be including Rally Masters as an OPTIONAL class.

Please Note: The Colorado State and the Fremont County 4H Dog Program has adopted changes to the Division as were outlined by the American Kennel Club in April 2012. Please note: Some signs have been renumbered.

Rally Intermediate has been added to follow Rally Novice. Rally Intermediate will be done ON LEAD and will not have jumps. Rally Advanced is to follow Rally Intermediate and is now an OFF-LEAD class with any jump to be used

All 4-H Rally classes will be patterned after the latest AKC obedience guidelines whenever possible, except that dog registry with AKC is not required. Some exercises and rules may have been adapted from AKC to better serve the youth of this program.

A. In all class's points will be deducted in the Rally classes for the following: strong correcting, disciplining, fouling the ring, excessive barking, leaving the ring, rules violation or showing fear.

B. Handlers entered in B classes will be judged at a higher skill level (handler errors) than handlers entered in A class.

C. Allowed collars in Rally classes include: Flat or rolled leather with buckle or snap closure. Flat or rolled nylon collars with buckle or snap closure. Metal choke chain. No halties, gentle leaders, harnesses, or pinch collars will be allowed in the show ring. Collars and leads must be 2 separate pieces. Slip leads are not allowed.

D. All jump heights will conform with current (as of April 2012 rules and regulations) AKC height and broad jump recommendations.

E. Each member will be allowed only one run in each class with the dog who has qualified for that class.

F. Walk-throughs will be announced. Youth will not be allowed to walk through the pattern at any time other than the official walk-through time.

G. Please refer to the Colorado State 4-H Dog Project Rally Obedience Rules and

2020 Fremont County 4-H/FFA Fair Book

Regulations for Exhibitors, Judges and Stewards for complete information.

H. No dog tags can be on the dog when showing in the ring. This includes name tags, rabies tags, or anything else that hangs from the dog's collar. It is very important that your dog wear tags at all times, except when in the show ring.

Class 8130 Rally Advanced/Excellent B – Unlimited entries

 3. Only one dog per youth on a team.
 4. Only youth who have competed at the INTERMEDIATE LEVEL OR ABOVE may be entered on a Rally Team. Members who have only competed as a Rally Novice or who have never competed in Rally before are not eligible for a Rally Team
 5. A Novice level course will be used.
 6. The Rally Team Competition will be for teams of any four dogs that are eligible. Five dogs may be entered, one to be considered an alternate; however, the same four dogs will perform all the exercises.
 7. No dog may be entered on more than one team.
 8. A qualifying score of 170 must have been achieved by youth entering this class.
 9. Champion and Reserve Champion Ribbons will be given to team winners.
- For the non-regular Rally Team Competition, any of the regular rally class levels may be offered. 4-H suggestion would be to use Novice Level course. The Rally Team Competition will be for teams of any four dogs that are eligible under these regulations. Five dogs may be entered, one to be considered an alternate, however the same four dogs will perform all the exercises. No dog may be entered on more than one team. There is a total possible score of 400 points for each team. All team members will run the course individually,

with the team time running continuously. Time will start when the judge gives the first member of the team the forward command from the "Start" sign. The subsequent dog for each team starts when the previous handler for the team passes the "Finish" sign without an additional command of "Forward" by the judge. Timing for each team will begin when the judge commands the first handler in the team to begin with the command "Forward" and will stop when the fourth handler from the team passes the finish line. Owners can pick a theme for their team and wear costumes accordingly (both handler and dog) as long as the costume does not interfere with movement of dog or handler in the class and is 4-H appropriate. Scoring: All stations will be counted with a point value. The maximum point value, which can be deducted at any one station, will be 10 points. It is possible for a team to receive a negative score.

OBEDIENCE, SHOWMANSHIP, AND RALLY AWARDS:

All participants will receive a "State Fair Qualifier" ribbon. The American System will be used to rank the 4-H dog trial participants. While this is not mandatory, it is recommended for the health of your cat. If you have a cat that has tested positive for FELV and/or FIN, please alert the show superintendent so that appropriate precautions can be taken. 4-H members vaccinating their own cats must provide proof by including a statement from their vet or by including the vaccination labels.
