## Thank you

To all of the Fair Board Members, Club Leaders, Project Leaders, Superintendents, Parents,

siblings, and all other volunteers for all you did, and do for these kids to have a successful Fair! This year was definitely a lot of work, to move to our new Fairgrounds, but well worth it! Everyone worked hard, had fun, and really pulled through to make it a memorable year! We had more volunteers for clean up day than in many years past, too! We are so fortunate to have such great volunteers eager to give the kids the best possible experience! Thank you for all you do, it does not go un-noticed!

Our kids are AMAZING! They worked hard to get to County Fair, and they worked even harder at the fair. We had competitors helping each other cut their matts during set up, helping each other in the show ring when needed due to injuries, and much more! When a task needed completed, the kids jumped in to make sure the load was light for each other. From the PeeWees to the Seniors, we were impressed!

This newsletter is dedicated to celebrating the experiences and the memories made. Congratulations to all who participated and all who worked hard to make this year successful!

Fair Board members, 4-H Council Kids, the FFA kids and Royalty all participated in the ribbon cutting to open fair!
